

## Icoone face and body treatment

### Body shaping and anti-cellulite treatment

icoone® offers completely 'made-to-measure' beauty treatments delivered through a combination of different facial and body care programs designed to meet the needs of men and women of all ages.

Unlike all other technologies, icoone® gives the skin and the dermis a genuine 'workout' and can be used to treat the whole body, including the most delicate areas (like the eyes, bust, neck, inner arms, inner thighs).

### icoone® is ideal for the treatment of:

Localized fat deposits / unsightly cellulite / saddlebags / silhouette remodeling / skin laxity / sagging inner thighs or inner arms / stretch marks / firming of breasts / firming of face, neck and cleavage / deep wrinkles / expression lines

Entire body treatment 30 min. (1 problematic body part)	1,190 CZK
Entire body treatment 40 min. (2 problematic body parts)	1,350 CZK
Entire body treatment 50 min. (3 problematic body parts)	1,590 CZK
Entire body treatment 60 min. (4 problematic body parts)	1,790 CZK
Face, neck and neckline 30 min.	1.150 CZK

## Reaction RF body treatment

### Slimming, tightening and lifting of faded parts

Reaction device is top aesthetic system which was created in collaboration with leading physicians and scientists around the world. It combines two mechanism of RF energy and vacuum therapy. The safe, noninvasive treatment which is focused on unwanted centimeters, cellulite and a flabby skin.

Women		Men	
Arms	1,350 CZK	Hips	1,800 CZK
Belly	1,950 CZK	Belly	2,300 CZK
Bottom	2,150 CZK	Belly and hips	2,900 CZK

## Reaction RF face lifting

### Safe and highly effective RF facelift

High-frequency energy travels into the deep layers of skin where stretches the collagen fibers and participates in the creation of elastin. The radio-frequency lifting reduces fat reserves and very effectively fills deep wrinkles. After the first treatment the skin is firmer and more flexible.

Neck	1,400 CZK	Decollate	2,100 CZK
Double chin	1,450 CZK	Face	2,800 CZK

## Mesotransduction: MESO-T8

### Exceptionally effective, non-invasive treatment

Non-invasive method with immediate results without any side effects or pain, which enables a transfer of active substances through the cornified skin layer and reaches the dermises safely and effectively. The individually prepared Meso-cocktails fill in wrinkles, provides skin hydration and strengthening.

During the Mesotransduction treatment of the body it effectively stimulates the skin against cellulite, stria and aids the sliming process of targeted areas. The skin becomes stretched, wrinkles filled-in and body is smooth and firm immediately after treatment.

## Oxygen spa capsule Oxyspa

### Revolution in the regeneration of the body

Alpha Led Oxy Light – SPA – LED light therapy is a form of non-invasive, holistic energy, which stimulates structures in the skin at the cellular level. Thus Thermal (heat) energy increases and stimulates the metabolism and detoxifies the skin for healthier tissue and new cell growth. Vibration energy relaxes muscles, reduces stress, stimulates circulation and relieves pain. In addition, Oxygen replenishment is key to a young, fresh appearance. Rejuvenation, via increased oxygen levels, encourages healthy cell composition, mental alertness, increases physical stamina, and a boost to your immune system.

More than 20 programs for maximum satisfaction of your needs.

Weight Loss, Cellulite, Detoxification, Cleansing of skin, Shine skin, Immunity strengthening, Relief from pain, Emotional release, Energy, Harmony, Sunshine, Revitalization, Insomnia, Meditation and other...
